

Wanted- Your Chiropractic Success Story

We would love to hear how chiropractic care has impacted your health and your life. A brief story written or typed would be appreciated or you may simply fill out the questionnaire below.

Your Name: Holly ROBINSON
Child's Name (if applicable): Hannah ROBINSON Age: 5 wks

The reason you or your child began Chiropractic care: I was pregnant and wanted to encourage my baby to be in the best position to be born. My last baby was born posterior, and it was a difficult labor.
Length of condition(s), severity and effect this had upon your family: _____

Past treatments, medications and effects: _____

How your life or your child's life/health has improved with Chiropractic care: My baby was born anterior. It was a wonderful, unmedicated, 12-hour labor.

This information is accurate to the best of my knowledge. I give you permission to share my story with others in order to positively change their lives also!

Signature: J Robinson Date: 8/24/2010
